

## School and Department License Agreement

This one-year license gives a school's faculty and staff the Teach Different Online PLC and materials, and certifies selected faculty or staff to present the Method to their colleagues.

### 1. Parties and Term

|                                  |                                                                                    |
|----------------------------------|------------------------------------------------------------------------------------|
| School or district               | _____                                                                              |
| School contact (name, email)     | _____                                                                              |
| Teach Different contact          | Dr. Steve Fouts, steve@teachdifferent.com, 309-303-0220                            |
| License (see section 4)          | <input type="checkbox"/> Team License <input type="checkbox"/> School Site License |
| Launch price                     | <input type="checkbox"/> Yes <input type="checkbox"/> No                           |
| Term (one year)                  | _____ to _____                                                                     |
| Teachers to be certified (names) | _____                                                                              |

### 2. What Is Included

**For every member of the faculty and staff, including counselors and support staff:**

1. **Online PLC membership** for the full year, the Teach Different Online Professional Learning Community, with:
  - 250+ ready-to-use conversation plans
  - 550+ classroom ideas (humanities and STEM)
  - Monthly live trainings with the Teach Different team
2. **A 45-minute Kick-off Workshop** (virtual) to start the year together.
3. **Support all year:** custom help from the Teach Different team by email.

**For the staff Teach Different trains and certifies:**

1. **Certification in the Teach Different Method:** a training by Teach Different that prepares them to share the Method with the rest of their faculty.
2. **PowerPoint presentations and training manuals** for leading the Method with colleagues, which they may adapt for their school.
3. **24/7 access** to these materials through a password-protected area of the Teach Different dashboard, one login each.
4. **A certificate** upon completion.

A certified trainer who leaves the school may be replaced by another faculty or staff member for the rest of the term.

**Not included:** Teach Different offers additional courses for individual teachers, such as the online Method Course and coaching with a certified Coach. Teachers or the school may buy these separately. They are not part of this agreement.

### 3. Use of Materials

All faculty and staff at the school **may**:

- Use the Method and the Online PLC resources with their own students.
- Share the Method with colleagues at their school.

No one **may**:

- Share logins or give the materials to anyone outside the school.
- Sell the materials or post them publicly online.
- Train others outside the school in the Method or use it in paid work outside the school.

### 4. Licenses and Fees

Two licenses, one price each. Both include everything in section 2.

|                                     | Team License                           | School Site License             |
|-------------------------------------|----------------------------------------|---------------------------------|
| Who is covered                      | Up to 15, any group the school chooses | All faculty and staff, no limit |
| Staff we train and certify          | 1                                      | 2                               |
| 45-minute virtual Kick-off Workshop | Included                               | Included                        |
| Price per year                      | \$3,500                                | \$7,500                         |
| Launch price (first year)           | \$2,500                                | \$5,000                         |

**Launch price** applies to schools that sign by July 1, 2027, for the first year only.

- **Extra certified trainer:** \$1,000 each. We recommend one certified trainer per academic department.
- **In-person Kick-off Workshop:** \$1,500 plus travel expenses.
- **Moving up:** a Team License can move to a School Site License during the year by paying the difference.
- **Payment:** one invoice when this agreement is signed, due within 30 days. Check, purchase order or card.

## 5. General Terms

- **Ownership.** Teach Different owns the Method, its name and all materials. This license lets the school use them; it does not transfer them.
- **Student privacy.** Teach Different does not collect student names or student work. Teacher logins hold only the teacher's name, school and email.
- **Renewal.** The license ends at the end of the term. Teach Different will offer a renewal at least 30 days before it ends. Renewals are at the regular price unless both sides agree otherwise.
- **Ending early.** Either side may end this agreement with 30 days' written notice. If Teach Different ends it early without cause, it refunds the unused part of the fee.
- **After it ends.** Dashboard access closes. Teachers keep their certificates.
- **Governing law.** State of Illinois.

## 6. Signatures

|           | For the school | For Teach Different |
|-----------|----------------|---------------------|
| Signature |                |                     |
| Name      |                | Dr. Steve Fouts     |
| Title     |                | Co-Founder          |
| Date      |                |                     |
